# HOW TO APPLY TO HOST TRAINING

1. Read the SAS Guide for Professionals.
2. Meet with organisational leaders to brief them on hosting an SAS training course and to discuss any questions or concerns they may have about the program. Contact [training@sst-institute.net](mailto:training@sst-institute.net) or +61 7 3720 8740 for further information if needed.
3. Forward a copy of the SAS Guide for Professionals together with the SAS Program Readiness Questionnaire to organisational leader(s) who expressed interest in the program. Ask them to complete the Program Readiness Questionnaire with the staff whom they intend to deliver SAS and return it to you. Only one program readiness questionnaire needs to be completed per service delivery site.

The Program Readiness Questionnaire helps to assess whether an organisation or service delivery site (e.g. clinic or school) has sufficient resources and capacity to successfully deliver SAS, and assists in identifying where additional support may be needed. If members of your network decide not to proceed with SAS after completing the questionnaire, their training places can be offered to another service delivery site or partner organisation that may be better equipped for program delivery. This ensures optimal return on your investment in facilitator training and resources.

4. Complete the Agency Training Application Form.
5. Return the Agency Training Application Form, together with the SAS Program Readiness Questionnaire(s) (one per organisation or service) to SST. Once this paperwork has been received, you will be contacted to schedule the training and to discuss any questions that may arise.

## Letter of Agreement

Once details of the training and implementation model have been finalised, your organisation will be asked to sign a Letter of Agreement (LoA) with SST regarding the provision of SAS Facilitator Training and Resources. The LoA clarifies details regarding the training and the responsibilities of both parties. **The LoA must be signed before dates of training can be confirmed.**

## Training Venue and Other Requirements

Your organisation is responsible for securing an appropriate training venue and for confirming practitioner suitability, availability and attendance. As a brief overview, you will be required to organise:

- A training venue that can accommodate all participants, with tables and chairs
- Catering (morning tea, lunch and afternoon tea are recommended)
- Equipment (data projector and screen/white wall, whiteboard/flipchart and markers)
- Storage and distribution of training materials to participants.

# SAS RESOURCES

## Training Resource Order

Each place in the two-day training course includes a half hour clinical support call, one SAS Facilitator Manual, one SAS Facilitator Family Kit and access to the online SAS Facilitator Portal for digital resources. Services are required to purchase or have existing access to a SAS Session Resources Kit. If you already own a SAS Challenger Board Game, you can purchase the SAS Session Resources Kit without this item.

Each child and family who participates in the SAS Small Group program will require a SAS Family Kit. This kit contains all of the take-home and in-session resources and visual supports that families need to benefit from the intervention.

## AGENCY TRAINING EVENT– PRICING
